

## Advanced Trauma Life Support

**Friday, February 24**

7:30 am - 6:00 pm

&

**Saturday, February 25, 2012**

7:45 am - 6:30 pm

**Good Samaritan Hospital**

**10 East 31st Street**

**Kearney, Nebraska**

**Registration Fee: \$550.00**

**Recertification Fee: \$350.00**

(Registration includes continental breakfast, lunch, refreshment breaks, course materials, course manual, continuing education hours and ATLS certification card)

### Objectives:

- Demonstrate concepts and principles of primary and secondary patient assessment;
- Recommend management priorities in a trauma situation;
- Identify primary and secondary management necessary within the first hour of emergency care for acute life-threatening emergencies;
- Demonstrate, in a clinical and surgical skill practicum, the skills used in the initial assessment and management of patients with multiple injuries;
- Create protocols for trauma patient transfer;

### Continuing Education:

Good Samaritan Hospital is accredited by the Nebraska Medical Association Commission on Medical Education to provide continuing medical education for physicians. Good Samaritan Hospital designates this lecture and skills station format for a maximum of 18 hours of AMA PRA Category I Credits. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This program is approved for 18.0 hours of continuing education for Physician Assistants.

This program has been reviewed and accepted for 18.0 Prescribed Hours by the American Academy Family Practice.

### Target Audience:

Physicians and Physician Assistants, Advanced Nurse Practitioners. Advanced Nurse Practitioners and Physician Assistants are invited to attend the course provided that their sponsoring physician is ATLS Certified.

## **Course Overview:**

This interdisciplinary course in Advanced Trauma Life Support focuses on the complete assessment of the trauma patient. The program will include lectures, laboratory workstations, a syllabus, formal evaluation with skills testing stations, and a written examination. Upon completion of this course, each participant will have learned to employ specific protocols in the management of trauma emergencies. Each participant will receive course materials with assignments for study upon receipt of their registration. Please study these materials so that you will become familiar with their content.

## **Course Reimbursement:**

Partial reimbursement for the full length course may be available through the Statewide Trauma System. Please call Carol Jorgensen, North Central EMS Specialist for details. 800-642-4095. Contact Carol by Tuesday, January 24 to qualify for Reimbursement.

## **Lodging:**

Lodging is available at the Holiday Inn. The telephone number is 308-237-5971. Please identify yourself as a course participant to receive a corporate discount. Other motel information is available upon request.

## **Emergency Telephone:**

While attending this course, you may be contacted at 308-865-7091.

## **Refund Policy:**

Cancellations received on/before February 17 will receive a full tuition refund. Cancellations received after February 17 will be assessed a \$50 processing fee.
