

Good Samaritan Hospital EMS TRENDS

Tuesday, January 17, 2012

7:00-9:00 pm

Good Samaritan Hospital Conference Room & Telehealth Sites

“Death 101”

Presented by: Mary Stevenson, RN, BSN, CEN, MSW, CMSW, LMHP, NREMT-P
Good Samaritan Hospital

Objectives:

At the end of the session, the participant will:

- Develop an increased understanding of the death investigation process.
- Learn the duties of personnel involved with death investigation.
- Gain basic understanding of certain injuries.

Continuing Education – Good Samaritan Emergency Services offers continuing education to all participants to be used towards their state certification. A certificate of attendance will be mailed to all participants following the course and after completion of necessary paperwork.

Telehealth

The mission of the Telehealth Services Department at Good Samaritan Hospital is to use technology to improve access to quality care by providing consultation and treatment in both routine and emergency situations, to increase health-related educational opportunities for providers and the community, and to provide a venue for health-related administrative meetings. Twenty-one sites have joined with Good Samaritan Hospital to create the Mid-NE Telehealth Network.
