

Good Samaritan Hospital EMS TRENDS

Tuesday, February 16, 2010

7:00-~~10:00~~ pm

(Please note—Class is three hours long this month)

Good Samaritan Hospital Conference Room & Telehealth Sites

“What Do I Need to Know About H1N1 and Influenza Pandemics” (Postponed From 1/19/2010 Due to Weather)

Presented by: Cindy Kempt, RN

Objectives:

At the end of the session, the participant will be able to:

- Define “the flu”
- Explain how influenza spreads
- Discuss epidemics versus pandemics
- Describe emerging knowledge about the novel H1N1 virus
- Share strategies to deal with influenza pandemics

Continuing Education – Good Samaritan Emergency Services offers three hours of continuing education to all participants to be used towards their state certification. A certificate of attendance will be mailed to all participants following the course and after completion of necessary paperwork.

Telehealth

The mission of the Telehealth Services Department at Good Samaritan Hospital is to use technology to improve access to quality care by providing consultation and treatment in both routine and emergency situations, to increase health-related educational opportunities for providers and the community, and to provide a venue for health-related administrative meetings. Twenty-one sites have joined with Good Samaritan Hospital to create the Mid-NE Telehealth Network.
