

Good Samaritan Hospital EMS TRENDS

Tuesday, May 18, 2010

7:00-9:00 pm

Good Samaritan Hospital Conference Room & Telehealth Sites

“The Heat is On! The Cold is Coming! This Bites! Environmental Emergencies”

Presented by: Dion Friesz, NREMT-P
Good Samaritan Hospital

Objectives:

At the end of the session, the participant will be able to:

- List the signs and symptoms of heat exposure
- Define the steps in providing emergency care for heat exposure
- Define ways the body loses heat
- Care for patient who is exposed to cold
- Provide medical care for bites and stings

Continuing Education – Good Samaritan Emergency Services offers two hours of continuing education to all participants to be used towards their state certification. A certificate of attendance will be mailed to all participants following the course and after completion of necessary paperwork.

Telehealth

The mission of the Telehealth Services Department at Good Samaritan Hospital is to use technology to improve access to quality care by providing consultation and treatment in both routine and emergency situations, to increase health-related educational opportunities for providers and the community, and to provide a venue for health-related administrative meetings. Twenty-one sites have joined with Good Samaritan Hospital to create the Mid-NE Telehealth Network.
