

Good Samaritan Hospital EMS TRENDS

Tuesday, July 20, 2010

7:00-9:00 pm

Good Samaritan Hospital Conference Room & Telehealth Sites

“Childbirth: The First Great Journey”

Presented by: Carisa Hoffman, NREMT-B, EMSI, CNA
Good Samaritan Hospital

Objectives:

At the end of the session, the participant will be able to:

- Identify structures involved.
- Identify pre-delivery emergencies.
- State steps in pre-delivery preparation of mother.
- Identify and explain use of contents of obstetrics kit.
- Describe the care of the infant as the head appears.
- Describe how and when to cut the umbilical cord.
- Discuss steps in delivering the placenta.
- Discuss post-delivery care of the mother and baby.

Continuing Education – Good Samaritan Emergency Services offers two hours of continuing education to all participants to be used towards their state certification. A certificate of attendance will be mailed to all participants following the course and after completion of necessary paperwork.

Telehealth

The mission of the Telehealth Services Department at Good Samaritan Hospital is to use technology to improve access to quality care by providing consultation and treatment in both routine and emergency situations, to increase health-related educational opportunities for providers and the community, and to provide a venue for health-related administrative meetings. Twenty-one sites have joined with Good Samaritan Hospital to create the Mid-NE Telehealth Network.

Telehealth Network

*Telehealth & Tele-Emergency
• Telehealth, only
